## V SERIES

BRITISH COLUMBIA BC VQA

Our winemaker's passion of creating unique blends has led us to the V Series. This year's blend is Sémillon based, with the palate building on barrel fermented Marsanne, Viognier and Gewürztraminer rounding out the blend and enhancing the aromas of lovely floral characteristics. Peach and honeysuckle notes lead the nose, followed by hints of honey and ripe fruit. A delicate straw yellow in the glass. The palate is smooth and finishes clean.

Total cases produced: 335

Contains: Sulphites

Contient: Sulfites
