SIMILKAMEEN VALLEY

British Columbia Vintners Quality Alliance

Situated high on the hillside overlooking the Similkameen Valley, Vanessa Vineyard grows its grapes on sloping, well drained terrain. The vines grow in rows of rock, stressing the plants, but also absorbing the day heat and imparting that warmth during the cooler nights, thus giving the grapes their unique and complex character.

Our Meritage is a blend of 100% estate grown Cabernet Sauvignon, Merlot, and Cabernet Franc that are small batch fermented and aged for 18 months in French and American oak barrels. It is our goal to produce a wine that is true to the heritage of the terroir, while being classically elegant and refined. This well structured blend shows dark cherry, leather and roasted coffee on the nose followed by brambly fruit, figs and rich tannins on the palate.

Only 440 cases were produced.
