## SYRAH

SIMILKAMEEN VALLEY

British Columbia Vintners Quality Alliance

Situated high on the hillside overlooking the Similkameen Valley, Vanessa Vineyard grows its grapes on sloping, well drained terrain. The vines grow in rows of rock, stressing the plants, but also absorbing the day heat and imparting that warmth during the cooler nights, thus giving the grapes their unique and complex character.

Our Syrah is 100% estate grown fruit co-fermented in small batches with a small percentage of Viognier in the traditional French style. The wine was then aged for 18 months in new and second use French and American oak barrels. It is our goal to produce a wine that is true to the heritage of the terroir, while being classically elegant and refined. Dark ruby in colour, this Syrah has an earthy nose followed by dark berry fruit, tobacco, vanilla, pepper, clove and ginger spices on the palate. The finish is long, full and complex. Only 270 cases were produced.
